--

Note

◆ The student must submit this form at least 4 weeks before the exam date.

◆ Graduation requirements

⦿ Doctoral degree students

1. Students in Plan B must complete all coursework as per the program requirements with a GPA of not lower than 3.25.
2. Students pass a qualifying examination as follows;
 - (1) Bachelor degree holders must pass a qualifying examination within 4 semesters after the first enrollment.
 - (2) Master's degree holders must pass a qualifying examination within 3 semesters after the first enrollment.
 - (3) Two attempts for a qualifying examination within the set date of items 2(1) , 2(2) can be made.
3. Students must present a thesis which expresses a new discovery, new idea, creative ideas or critique with original ideas with the following conditions;
 - (1) Not less than two pieces of Full Paper must be accepted for publication in an international journal where its standard database with referee can be searched, or
 - (2) Not less than one piece of Full Paper must be accepted for publication in an international journal where its standard database with referee can be searched, and
 - A. Not less than two pieces of Full Paper must be accepted for publication in a regional journal or a national journal with referee, or
 - B. Not less than two pieces of paper must be accepted for presenting in an international conference with oral presentation and full publication in proceedings
 - C. Not less than one piece of Full Paper must be accepted for publication in a regional journal or a national journal with referee, and not less than one piece of paper must be accepted for presenting in an international conference

with oral presentation and full publication in proceedings, or

(3) Other equivalent performance such as goods with patent, innovations, creative designs or a masterpiece which can be used for business or non-business purposes

4. Students must pass an oral presentation based on their thesis as in item 3

5. Students must meet the foreign language proficiency requirements.

Doctoral degree students must have a good command of a foreign language by passing one foreign language exam.

Other additional foreign languages may be required under the discretion of each field of study. The above required language proficiency will not be counted in credits.

⊙ Master's degree students

1. Students Plan A: A (1) must present a thesis and pass an oral examination. At least one full paper must be accepted for publication in an international journal.
2. Students Plan A: A (2) must complete all coursework as per the program requirements with a GPA of not lower than 3.00. They must present a thesis, pass an oral examination, and have other publications which are not in the thesis paper.
3. Students Plan B must complete all coursework as per the program requirements with a GPA of not lower than 3.00 plus;
 - (A) Present an independent study and pass a comprehensive examination or
 - (B) Present an independent study and pass an oral examination
4. Students must meet the English language proficiency requirements. A department may consider foreign language certificates from other institutions as being acceptable for this requirement. For master's degree students in the field of Applied Linguistics, the department will consider the conditions of passing of foreign language assessment.

◆ Publications (Required documents)
